New York, Sept. 23, 1951

Dear Mr. & Mrs. Immerman:

I hardly know where to begin to tell you how much Harry contributed toward making this one of our best summers in years for health, joy, and satisfaction.

Harry has been one of the best campers at his age that we have seen in years. He possesses genuine enthusiasm and is cheerful every conscious moment. What a happy trait!

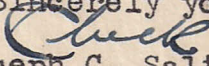

In passing the Raft test he had to swim half way to the Island, a distance of more than a quarter of a mile. This took courage and determination besides determination. He earned the rank of Intermediate Swimmer in the Red Cross standard tests.

In addition to his swimming, Harry made excellent progress in Tennis, Campcraft, and Golf, in which activities he earned citations. But what I said in the 2nd paragraph above is more important than all else.

We shall be pleased to receive Harry's 1952 enrollment fee at an early date. Several have already come in. The 1952 fee may have to be adjusted some but I assure you it will not be out of line.

Wishing you all a very happy New Year, and with love to all, I am

Sincerely yours,

Joseph C. Saltman
